Free pictures with Santa will also be available as a reminder of the day.

YMCA Strong Kids Campaign

In February of 2010, the YMCA will again be conducting its annual Strong Kids Campaign. Funding from this effort is utilized to provide financial assistance to youth and families so that those less fortunate are able to participate as YMCA members and/or participate in YMCA programs. The YMCA will provide approximately \$50,000 in financial assistance to the community in 2009.

Youth Computer Lab

A 5 computer lab is set up behind the front desk to be utilized by youth members for educational purposes. The lab is open during regular operating hours.

XRKADE®

Youth Ages 7-14

M - F 4pm - 8pm

Saturday 9am - Noon

The XRKade® was developed to create a cutting edge environment focused on offering the tech-savvy an immersive, sensory-based experience complete with the most advanced interactive fitness, exergaming and entertainment systems. It resembles a virtual reality arcade with a futuristic, urban and X games twist that engages users by merging gaming and activity. The XRKade® offers entertaining and physical challenges that completely submerge the user in the XRKade® games and activities while receiving the benefits of being physically active. The best way to describe the XRKade® it is no more a gym or an arcade than Disneyland is a roller coaster park. It is an interACTIVE Xperience that is innovative and "cool".
